## BENEFITS:

- Flawless Glow Bronzing Blend – Delivers instant, sunshine-kissed, streak-free, stain-free radiance without self-tanning agents.
- BB Crème Glow Formula – Cushions skin with hydration while blurring imperfections for a smooth, radiant, airbrushed finish.
- Glow Glaze Skin Smoothie – A luscious, nutrient-rich blend of strawberry, avocado, almond, hyaluronic acid, sea moss, and coconut oil to drench skin in deep hydration, plumpness, and that irresistible glazed radiance.
- Lachestim™ – Known as ‘Crystal Tears,’ this antioxidant-rich extract helps strengthen the skin’s natural barrier while enhancing the look of firmness and promoting a refreshed, revitalized complexion.
- SymBronze® Green – Derived from microalgae, this extract enhances skin complexion and encourages a darker tan, leaving the skin with a flawless airbrushed finish.
- Striover™ – Improves the elasticity of the skin while working to reduce the appearance of stretch marks.
- Collagen Banking Complex – A collagen infusion that aims to help replenish and preserve collagen.
- Holographic Luminizer – Utilizing crushed Diamond Powder and Micro-Pearls, this ‘Flawless Filter’ creator refracts light to deliver transparent coverage that softens and illuminates the skin while minimizing the appearance of fine lines and pores.
- Plant-Based Adaptogens – A soothing blend that helps nurture and comfort skin for a calm, balanced-looking complexion.
- Apple Cider Vinegar – Helps to absorb excess oils, unclog blocked pores and soothe irritation on the skin, while balancing the skin’s pH levels.

## KEY SELLING STATEMENT:
