## BENEFITS:

- DHA Free Bronzing Blend – Powerful tanning intensifiers coupled with deep natural bronzers allow for a glowing streak-free/stain-free result without the use of DHA.
- Quad Tyrosine Blend + MelanoBronze™ - Works to help produce faster, darker, longer lasting results.
- Coconut Oil, Coconut Extract & Coconut Milk – Helps to penetrate through dry layers of skin for the deepest level of hydration.
- Brazilian Sugarcane – Works to smooth uneven texture and reduce the appearance of pores, while helping to revive dull skin for a radiant, healthy glow.
- Hyaluronic Acid – Hydrates through the layers of the skin to promote a bouncy, plump look.
- Ceramides – Helps to repair and improve the skin's natural moisture barrier.
- BodyFit™ – Helps to reduce the appearance of cellulite and works to restore firmness.
- Peptide Blend – Potent amino acid compounds that help boost collagen and elastin for skin that looks firmer, smoother, and more youthful.
- pH Balancing Fruit Enzymes – Allows for optimal light absorption.
- Camu Camu Berry – A superfruit rich in vitamin C to help brighten skin and promote a radiant, even-toned complexion.
- Tattoo & Color Fade Protectors – Protects the color and luster of your tattoos and tanning results.

## KEY SELLING STATEMENT:

Glow naturally, radiantly, and oh-so-softly with Coconut Kisses™ Natural Glow - The creamy-soft upgrade to your favorite iconic formula. This toasted coconut dream delivers a subtle boost of silky, natural-looking color thanks to streak-free, stain-free natural bronzers - with no self-tanning agents required. This BB cream-style indoor and outdoor bronzing lotion helps visibly blur skin imperfections, giving your body that soft-focus, bungalow-ready finish. A plant-powered blend of rich tanning activators work to enhance natural color development, while a hydrating infusion of coconut oils, coconut extracts, and coconut milk wrap the skin in whipped, milky moisture. Camu Camu berry antioxidants help replenish and refresh dull, uneven texture, while hyaluronic acid, ceramides, and skin-firming peptides promote smooth, plump, and nourished skin that looks as good as it feels. Get ready for the nostalgic kiss of coconut color you have always loved – now with a little extra glow!
