- Ultra-Rich Black Bronzers
- Revolutionary 4K Perfect Color Technology
- Provides superior anti-aging benefits
- Melanin stimulators that will create darker, longer lasting tanning results
- Skin Softening and Hydrating Formula
- Anti-Orange technology
- Tattoo & Color Fade Protectors
- Guava Sunrise Fragrance

PRODUCT DETAILS:

- High amounts of DHA, Natural & Cosmetic Bronzers provide dark immediate and delayed results to the skin
- 4K Perfect Color Technology – Delivers long lasting tanning results, while working to blur imperfections and allowing the skin optimal absorption of high end skincare ingredients
- Advanced Matrixyl Synthe 6– Targets and helps to fill in fine lines and wrinkles for a more youthful appearance to the skin
- MelanoBronze – Stimulates the production of melanin for more darker, more natural results
- MelaTime™ – Boosts Melanin production for faster, longer lasting results
- Vitamin E – deeply hydrates and helps to reduce the appearance of scars and stretch marks
- Caramel Extracts – Allows for longer lasting color with a more delayed and natural bronzed result
- Blue Tansy– delivers anti-orange properties so the skin develops the most natural looking bronze color
- Blended with Tattoo and Color Fade protecting formula

KEY SELLING STATEMENT:

Picture perfect 4K results are now within reach with MRI's new iBlack 4K!
