Silky Silicone Tan Extending Moisturizer  
With Silk Extracts

devoted  
creations®  
TANNING SKINCARE

## FEATURES:

- Silicone Tan Extender with Silk Extracts
- Exotic Oils and Extracts
- Anti-Aging and Skin-Firming Benefits
- Platinum Bombshell Fragrance

## BENEFITS:

- ALA Technology™ reduces the appearance of fine lines and wrinkles as well as the appearance of dark circles
- Silk Extracts are blended into a silicone formula to lavish the skin in silky soft hydration
- Exotic oils such as macadamia nut, lavender and citrus are combined with Cocoa and Shea butters to bathe the skin in hydration while providing rich antioxidants to fight the aging process
- Provides immediate and long-term moisturizing benefits

## KEY SELLING STATEMENT:

Dive on into the silkiest soft skin imaginable! PLATINUM INDULGENCE™ leaves the skin feeling the best it has ever felt. The silicone formula is blended with silk extracts that bathe the skin in intense silky hydration. ALA Technology is used in conjunction with exotic oils and extracts to reverse the signs of aging while Cocoa and Shea butters nourish and condition the skin. In addition to having the softest, skin ever ... this extender will work to prolong the life of your tan. So you will be incredibly moisturized and lavishly tan. Not to mention the Platinum Bombshell scent is to die for!
